

## Lodging Technician – Work together for the love of pets!

### About Us

Working at Meadowlake Pet Resort & Training Center is not a job, it's a community of those who love making life better for pets and their people! Our two locations provide overnight pet lodging, daycare, training, and grooming services, as well as dog birthday parties, themed events, retail, transportation services and so much more!

### Job Description

And while we're there for the pets and their people, Meadowlake will be there for you at every stage of your career. With Meadowlake Pet Resort & Training Center, you will have opportunities to:

- Gain experience in all departments — from lodging to daycare and the pet spa.
- Develop your leadership skills as a potential Lodging Supervisor
- Tackle the challenge of a new growing facility
- Transfer between our two locations
- Full-time Benefits
