

About Our Trainers

Meadowlake Pet Resort & Training Center is proud to have a Training Department composed of a team of dog trainers with over twenty years of combined experience from pet obedience to national sport dog exhibitions. Our training department has trained and titled dogs as well as coached dog/handler teams for AKC Obedience, Schutzhund, Narcotic Detection, Frisbee, Guide and Service, Agility and Hunt Tests.

More importantly they have helped thousands of families create a more harmonious relationship with their beloved pets. Here are a few career highlights:

- Member of the International Association of Canine Professionals
- "Top of class" graduate of The Tom Rose School for Professional Dog Trainers
- Instructed and certified numerous Professional and Master Dog Trainer students
- Licensed AKC CGC evaluator
- Participated in many dog obedience demonstrations for humane societies, rescue groups, schools, veterinarians and television
- Placed 2nd at the 2005 Alpo Frisbee Dog Championship
- Trained & titled multiple dogs through the National Narcotic Detector Dog Association
- National Schutzhund competitor
- Achieved an overall Schutzhund III "V" or "Excellent" rating
- Numerous "High In Trial" performances in AKC obedience and Schutzhund/IPO
- Placed 2nd at the 2015 AWDF Nationals at the IPO 1 level
- Placed 1st at the 2010 DVG Schutzhund Nationals at the VPG 1 level

In the U.S. there are no set standards for professional dog trainers. Anyone can call themselves a dog trainer. These titles and certifications demonstrate our trainers' abilities and passion for their craft. Additionally, they push our trainers to continuously improve and hone their skills.

Meadowlake's training programs are designed to enhance the relationship between you and your pet. What really sets us apart is our ability to customize a training program to fit your needs, budget and goals. Our ongoing support after the training is complete through calls, private lessons and access to continued education group classes is why our training programs are one of the highest recommended in the Houston and Pearland area.
